Radisson Hotel Nashua General Information

Menus and Pricing

Menu prices are guaranteed three (3) months prior to the function date. Menu selections, room arrangements and other pertinent details must be submitted to the Sales/Catering Office three weeks in advance of the function date; otherwise menu selections may be limited. Our Catering Managers, in conjunction with our Executive Chef will be happy to customize a menu to meet your particular event needs. An additional service fee of \$2.00 per entrée will be charged for all split entrees. Buffet service is limited to 1 ½ hours. All prices are subject to a 12% Gratuity, 9% Taxable Administrative Fee and 9% NH State Tax. Due to licensing requirements and quality control issues, all food and beverage to be served on the Hotel property must be supplied and prepared by the Hotel. No food may be packaged to go. The Hotel reserves the right to remove such food and beverage for and will return upon departure of hotel premises.

Set Up

The Catering Department is happy to assist you with decorations. The hotel does not permit the affixing of anything to the walls, floor, or ceiling with nails, staples, carpet tape or other substances. Additionally, centerpieces with an open flame are not allowed in the function area. The use of confetti, birdseed, rice or similar items is prohibited. Non-compliance will result in a minimum clean-up charge of \$250.00. Any damages or changes to carpeting, furniture, walls, etc. will be assessed and charged to the contractee by the Banquet or Operations Manager.

White linen tablecloths and napkins are included in our pricing structures. Client supplied specialty linens provided by an outside vendor must be pre-arranged with your sales manager. Additional set-up charges will apply for installation and removal unless provided by the vendor.

Contracted Vendors

Hotel has contracted with certain providers of services (e.g., audio-visual services) that you may elect to use to provide services for your event ("Contracted Vendors"). Although the use of Contracted Vendors is encouraged, you may use your own vendors for these services provided that your proposed vendors meet minimum standards established by Hotel.

All vendors must provide proof of insurance coverage acceptable to Hotel no later than 14 business days before your event.

Guarantees

The final guarantee is due ten (10) business days prior to the event. This count may not be reduced. We charge for the guarantee or the number served whichever is greater. The Hotel cannot be responsible for service for more than 3% over the guaranteed count. If offering a choice of entrees the exact count of each selection is required with your guarantee. If no guarantee is received, we will consider the highest number of guests indicated as expected on the banquet event order as the guarantee. Buffet Options require a minimum of 25 guests.

Billing

A non-refundable, non-transferable deposit is required for all functions unless prior credit arrangements have been established with the Hotel. All charges will be paid seven (7) business days prior to the function date. Any deposit made within 30 days or less to the event must be made in the form of cash or cashier's check.

Liquor Policy

The Radisson Hotel Nashua holds a license granted by the New Hampshire State Liquor Commission and is responsible for complying with its regulations. Neither patrons, nor any patron's guest shall be allowed to bring alcoholic beverages into the Hotel. No person under the age of 21 will be allowed to consume or purchase alcoholic beverages.

Should you choose to have a bartender in the room a taxable \$150.00 bartender fee will be charged if sales do not exceed \$350.00. Banquet bars are available for groups of 25 or more. For groups with less than 25 guests in attendance, a cocktail server is recommended. Cocktail service (taxable) is charged at \$30.00 for the first hour and \$10.00 for each additional hour per server. Hotel policy states that bar service is limited to 5 hours. If an extension is requested, approval must be received from the beverage or banquet manager in advance.

All food, beverage and related services are subject to our customary 12% Gratuity, 9% Taxable Administrative Fee and 9% NH State Tax.
All prices, fees and taxes are subject to change without notice.
